

12v inverter smart

Overview

What is the inverter smart?

The Inverter Smart is an efficient and reliable inverter. Built on our proven and field tested inverter platform, it now comes with a new slimmer design and full metal casing. Models are available in 1600VA, 2000VA, 3000VA and 5000VA for 12, 24 or 48V systems.

What is a 12V power inverter?

Power inverters with more than 90% conversion efficiency and stable performance. The 12V power inverter has the functions of current protection, short circuit protection, over-voltage protection, reverse charging protection, power protection, and core protection.

What is a 12V 220V power inverter?

This inverter 12V 220V generates 1000-watt continuous and 2000-watt surge power which can be applicable for AC household appliances or electrical devices during work trips, road trips, camping, and so on. This power inverter has full safety protections, built-in fuses, and a temperature-controlled cooling fan, to protect your devices from damage.

Is the Phoenix 12V 3000va smart eligible for free returns?

Due to its size, this item is not eligible for our free returns service. The Phoenix 12V 3000VA Smart from Victron Energy is an efficient and reliable pure sinewave inverter designed around Victron's well proven Phoenix inverter platform.
