

# **Bahrain Distributed Energy Storage Power Station**

## Overview

---

Who inaugurated a 220 kilovolt electricity transmission station in Dubai?

Dubai: Bahrain's deputy prime minister, Khalid Bin Abdullah Al Khalifa, inaugurated a new 220 kilovolt (kV) electricity transmission station and a water distribution station at the Al Hidd Housing Project on September 30.

How much does Bahrain's infrastructure cost?

The two facilities, which cost a total of \$85 million (Dh312 million), are part of the government's initiatives to improve infrastructure and address the increasing demand for essential services, according to a report from the Bahrain News Agency (BNA).

How many gallons can a water distribution station store?

The water distribution station features a storage capacity of 2.34 million gallons and is equipped with monitoring and control systems.
