

Boston rainproof solar panel manufacturer

Overview

Who is Boston Solar?

Solar Residential Solar Commercial Solar The Boston Solar Team has delivered customized solar energy solutions to over 6,000 households in New England for the past 13 years. Recently, we have expanded into the commercial market, completing projects for small businesses and even the iconic Fenway Park, home of the Red Sox.

Why should you choose Boston Solar for your residential installation?

When you choose Boston Solar for your residential solar installation, you're partnering with local experts who understand the unique challenges and opportunities of solar in Massachusetts. Our custom-designed systems are built to withstand harsh winters and maximize energy production year-round.

Does Boston Solar install solar?

From financing to design and installation, Boston Solar does it all. Our in-house installers are licensed and certified, meaning you can rest assured that your solar meets the most rigorous standards. Download the Boston Solar complete guide to going solar and get answers to all your questions about solar energy.

Who is mass renewables?

At Mass Renewables, we are not just about solar panels; we are about independent energy sustainability. Our team is NABCEP-certified, OSHA-certified, and includes master electricians and licensed builders. This means your solar project is in the hands of experienced professionals dedicated to safety and excellence.
