Who is somewatt solar Cape Town?

Welcome to SomeWatt Solar Cape Town! We are a Cape Town based solar energy solutions company. Our individually tailored solar PV and battery backup systems designs turn roofs into reliable, renewable power sources. Harness the Cape Town sunshine and ditch load shedding with SomeWatt Solar.

Who is a solar manufacturer & distributor?

As a solar manufacturer and distributor, we specialize in the design, development, and production of high-quality solar panels and related products. Our state-of-the-art manufacturing facilities are equipped with advanced technologies and adhere to strict quality control measures to ensure that our solar panels meet the highest industry standards.

Can solar power be used in South Africa?

South Africa's sunshine is perfect for solar! PV panels capture sunlight and create electricity. These solar panels generate DC power which an inverter converts to usable AC power for your home. Excess solar power can be sent back to the grid for credits or stored in batteries for nighttime use.
