

# **Factory price 480v switchgear in Italy**

## Overview

---

Who manufactures MV equipment & switchgears?

SEL is an Italian company that manufactures MV equipment, switchgears and RMU. SEL is specialized in the design of the complete assembly including all the internal components such as switching devices and circuit breakers of all its various products: RMU, metal enclosed, outdoor, primary and secondary distribution switchgears.

Who makes low voltage switchgears?

Max. The company offers low voltage switchgears as part of its industrial automation solutions. The company specializes in designing innovative electrical systems and is currently engaged in constructing two medium voltage (MV) switchgear stations for a Battery Energy Storage System (BESS) project.

What is ATR switchgear?

ATR is an air-insulated (AIS), metal enclosed medium voltage switchgear, mainly used for secondary distribution power systems. Il Gruppo IME has been a key player in the industrial switchgear market since 1962, specializing in medium and low voltage switchgear and electromechanical systems.

Does Reliagear offer extended low voltage circuit breaker?

In addition, we also offer the extended low voltage ReliaGear® in the United States and Canada. ReliaGear provides world-leading ABB circuit breaker technology and it has American National Standards Institute (ANSI) certification.
