

# **Finland solar water pump manufacturer**

## Overview

---

Who makes solar water pumps?

WBS began producing water pumps in 1998. In 2008, we independently developed and produced solar water pumps. We have OEM production for more than 200 solar pump dealers around the world. Over the past 10 years, we have produced more than 150,000 sets of solar water pumps that have been exported to other parts of the world.

Who is Feili pump?

FEILI PUMP was founded in 2005, which has a sharp focus on water treatment and solar solutions. Until now, FEILI has served more than 110 countries. FEILI PUMP's corporate mission is: let the world know our creation, and may our creation change your life. Our goal is providing high-quality, cost-effective solar water pumps to customers.

Who is tekнопump?

Tekнопump delivers high quality equipment and tailored solutions for the pumping and dosing of industrial chemicals. The wide selection of products on offer, specialized maintenance service and in-house equipment design ensure that the customers get just the solution they need.

What is solar water solutions?

At Solar Water Solutions, we've changed that — turning the tide by making reverse osmosis truly energy-efficient and accessible for off-grid use. Designed for harsh conditions, our solar-powered RO systems are ideal for seawater, saline groundwater, and contaminated freshwater sources.
