

High quality isolator breaker in Moscow

Overview

Who is IZOlyator plant?

Более подробная информация на странице Политика конфиденциальности. Izolyator Plant develops, manufactures, and provides maintenance services for 24-1200 kV AC and DC bushings. The enterprise is the only Russian plant involved in ultra-high voltage bushing development, manufacturing, and testing.

What is IZOlyator company?

Izolyator Company is a modern high-tech centre where the production floor space is sized approximately 20.000 m². The production lines have been fitted with the equipment supplied by the leading Russian and foreign manufacturers. The integrated Quality Management System and Environmental Management System have been implemented at the Plant.

Why did IZOlyator relocate bushing manufacturing?

The need for the further increase in the plant output, and for significant technical upgrade resulted in a decision to relocate bushing manufacturing to a newly built enterprise called Izolyator Company. Izolyator Company is a modern high-tech centre where the production floor space is sized approximately 20.000 m².
