

Huawei ASEAN Energy Storage Power Station Project

Overview

Who launched ASEAN Energy Data Centre?

Launching of the ASEAN Energy Data Centre, formalised by Dr Nuki Agya Utama, Executive Director of ACE, and Mr. Jin Song, CEO of Digital Power Business Indonesia, PT. Huawei Tech Investment.

How does Huawei support ASEAN's energy goals?

With a focus on sustainability, Huawei is committed to supporting ASEAN's energy goals by providing cutting-edge technologies that promote efficiency, reliability, and the development of green, smart infrastructure across the region.”.

What is Huawei digital power?

Driven by innovation, Huawei Digital Power is committed to helping partners build green, simple, smart, and reliable next-generation data centres. To jointly build the ASEAN Energy Data Centre with ACE, Huawei adopts efficient and energy-saving product solutions to improve data center energy efficiency.

Why is Huawei reshaping the future of Energy Innovation?

By leveraging Huawei's cutting-edge digital power technologies and Keppel's expertise in energy management, we are not only meeting the growing demand for renewable energy to support Singapore's global leading position in green development - we are reshaping the future of energy innovation.
