Huawei Battery Energy Storage in Johannesburg South Africa

Overview

Who is Huawei Digital Power Sub-Saharan Africa?

Huawei Digital Power Sub-Saharan Africa has been selected as the exclusive original equipment manufacturer (OEM) partner for the Palabora Mining Company (PMC) solar and battery energy storage system (BESS) project, a flagship initiative led by the Mzansi Energy Consortium and Journey 2 Green (J2G).

Why is Huawei partnering with South Africa?

Huawei is fully invested in the success of this partnership, and I will personally ensure our teams provide the support needed from engineering to execution.” This collaboration builds reliable, future-ready infrastructure and accelerates South Africa’s progress toward energy security.

What will Huawei do in the future?

In the future, Huawei will continue to work with partners to bring green power into a wide range of industries, and provide customers with a high-quality portfolio of sustainable energy solutions. Weir Minerals Africa is a global supplier of excellent minerals solutions, including pumps, valves, hydrocyclones, wear-resistant linings.
