

# Huawei solar glass maintenance

## Overview

---

What is Huawei warranty service?

Huawei provides customers with a warranty service, which is a maintenance guarantee or quality assurance (QA) service, to ensure product quality within a specified period. If any product quality defects occur during the warranty period, Huawei will provide free services based on the specified service level and scope.

Does Huawei smart PV have a warranty?

The table above provides warranty descriptions for Huawei Smart PV's products, devices, and solutions. These descriptions reflect the general warranty services. However, in specific countries and regions, the warranty services and service level agreements (SLAs) may vary slightly due to local requirements.

What is the scope of a Huawei service query?

1. This system is only used by customers to query the service information of their own equipment and may not be used for other purposes. 2. The scope of the query is services provided by Huawei, excluding services signed by customers and agents and delivered by agents themselves. 3.

What are the disadvantages of a Huawei product maintenance system?

1. This system is used only for querying product maintenance information and cannot be used for other purposes. 2. Only services provided by Huawei can be queried. 3. Huawei makes every effort to ensure the accuracy of the information. However, complete accuracy is not guaranteed.
