

Jamaica solar inverter manufacturers

Overview

Is JSS a good solar company in Jamaica?

Jep Solar Solutions (JSS) is committed to being the best choice for solar energy systems in Jamaica. Through them, we can provide guarantee and warranty on the most efficient solar panels, batteries, and other solar equipment. Performance is guaranteed.

How do solar systems work in Jamaica?

In Jamaica, solar systems owners can connect to the electricity grid via a Net Billing, Power Wheeling, or Auxiliary Connections contract. This allows them to have access to the Jamaica Public Service Company Limited (JPS) grid, as per the Electricity Act 2015 and subsequent legislation.

Who is Jep Solar Solutions?

Welcome to Jep Solar Solutions (JSS). We are your one-stop-shop for all your solar systems and equipment needs. Jamaica's location near the equator provides sunshine year round.

What is a solar inverter?

A solar inverter is the part of the energy storage solar system that converts direct current from solar modules into alternating current. Different types of solar systems require different types of inverters, and we supply top-of-the-line solar inverters for efficient performance.
