

Kingston Power Base Station Project

Overview

Where is the Kingston Powerhouse located?

The Kingston Powerhouse is a decommissioned power plant in Canberra, the capital of Australia. It is located in the suburb of Kingston, Australian Capital Territory. It now houses the Canberra Glassworks. The powerhouse was designed by John Smith Murdoch and constructed from 1913-1915, when the planned city of Canberra came into being.

Where is the Kingston base located?

The Kingston Base is located at 1 Estafette Street, Kingston, Ontario. Read verified and trustworthy customer reviews for the Kingston Base or write your own review.
