

# **New Delhi Energy Storage Power Station Power Management System**

## Overview

---

Will India's first battery energy storage system be regulated in 2024?

New Delhi | 08 May 2024 — In a significant step forward for India's energy transition, the Delhi Electricity Regulatory Commission (DERC) has granted regulatory approval of India's first commercial standalone Battery Energy Storage System (BESS) project.

Where is Tata Power-DDL battery energy storage system located?

Battery energy storage system is located at Tata Power-DDL's sub-station in Rohini, New Delhi. BESS was set up to add system flexibility, grid stabilisation, better peak load management, enhance reliability and protect critical facilities for 1.8 million consumers served by the company. It has a 10MW/10MWh capacity.

Why should India invest in a Bess storage facility?

With a significant increase in renewable energy generation capacity, it is imperative that storage facilities are developed to help India and the world transition to clean energy. With an annual tariff nearly 55% lower than the previous benchmark, the project sets a new standard for BESS affordability in India.

How geapp helped BSES Rajdhani Power Limited & BRPL?

GEAPP, in collaboration with IndiGrid and AmpereHour Energy, assisted BSES Rajdhani Power Limited (BRPL) in commissioning the 20 MW/40 MWh BESS project in New Delhi at a record-breaking 20-month delivery schedule.

## New Delhi Energy Storage Power Station Power Management System

### [New delhi energy storage power station](#)

Energy Storage System is located at Tata Power-DDL's sub-station in Rohini, New Delhi. BESS was setup by to provide add system flexibility, grid stabilization, better peak load management, ...

### [IndiGrid commissions India's first regulated utility-scale ...](#)

Apr 5, 2025 · The 20 MW/40 MWh utility-scale standalone battery energy storage system is designed to seamlessly integrate renewable energy into the distribution-level grid system, ...

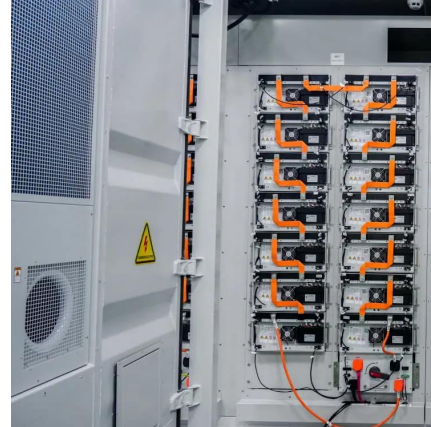

### [India's First Commercial Utility-Scale Battery Energy Storage System](#)

New Delhi , 08 May 2024 -- In a significant step forward for India's energy transition, the Delhi Electricity Regulatory Commission (DERC) has granted regulatory approval of India's first ...
