

New solar container outdoor power in Barcelona Spain

Overview

SUD Renovables, a Spanish company, is conducting a novel experiment by installing vertical solar panels on the roof of its Avinyó warehouse in Barcelona, Spain. Does Mes Barcelona install photovoltaic panels?

MES Barcelona also installs photovoltaic panels for residents' associations. The funders of the photovoltaic installation sell the energy to the building's owners, and at the end of the energy sale contract, ownership of the panels is transferred to the building owners at zero cost.

Who makes containerized mobile solar PV generators?

Spanish solar PV generator manufacturer Nomad Solar Energy, a subsidiary of solar power plant project developer Lone Lighthouse, has launched a line of containerized mobile solar PV generators.

What is the Catalan Green Energy Initiative?

The aim of the initiative is to promote green energy generation in the Catalan capital, with 8 projects currently in progress to install photovoltaic panels on large buildings.
