

# **Niamey outdoor station battery cabinet production**

## Overview

---

What is an outdoor Battery Cabinet?

Outdoor battery cabinet protects contents from harmful outdoor elements such as rain, snow, dust, external heat, etc. Plus, it provides protection to personnel against access to dangerous components. As a famous manufacturer in China, KDM supplies thousands of outdoor battery cabinets for different purposes.

What is KDM outdoor Battery Cabinet?

KDM Outdoor Battery Cabinet guarantees the service life of the batteries. It also enhances the temperature of the main facilities and power equipment in the base station so as to lessen power consumption. KDM Outdoor Battery Cabinet has high safety, fast assembly, maintenance-free, suitable for the rigid environment.

What is battery management system?

Battery management system used in the field of industrial and commercial energy storage.

How do we ensure the safety and reliability of battery products?

From core chip selection to system-level architecture, we guarantee the safety and reliability of battery products in an all-round and real-time manner. Through multi-branch design, we fully and fully monitor battery voltage, power, temperature, communication and other states to ensure the normal operation of the power system.
