

# Paris special solar container battery custom manufacturer

## Overview

---

What is a containerized battery energy storage system?

Our's Containerized Battery Energy Storage Systems (BESS) offer a streamlined, modular approach to energy storage. Packaged in ISO-certified containers, our Containerized BESS are quickly deployable, reducing installation time and minimizing disruption.

Who is a special container manufacturer?

As a Special Container Manufacturer, we take pride in our capacity to tailor solutions to your specific needs. With a factory covering over 20,000 square meters and export operations in more than 50 countries, MEOX is equipped to deliver high-quality container solutions globally.

Who are the battery systems group?

Our battery systems group has been designing and manufacturing batteries for industrial devices for many years. We possess in-depth knowledge of different chemistries for both primary and rechargeable battery systems, allowing us to select the most suitable battery power solution to fulfil customer requirements.

Who is Mex specialized container manufacturer?

MEOX specializes in the integration of specialized equipment containers, offering a wide range of customized containers and high-end smart modular container homes for sale. As a Special Container Manufacturer, we take pride in our capacity to tailor solutions to your specific needs.
