

Price of 20-foot photovoltaic shipping containers for Australian mines

Overview

Where can I buy a shipping container in Australia?

Port offer a huge selection of 10ft, 20 ft and 40ft shipping containers for sale. In addition to selling the standard General Purpose, High Cube and Side Opening containers, we are proud to be Australia's specialist supplier and manufacturer of pre-modified shipping containers.

What is a heavy-duty steel container used for?

Built from heavy-duty steel, they are weatherproof, vermin-proof and secure, suitable for everything from household goods and business inventory storage to modified shipping containers, building a construction-site shipping container office, container shop, container workshop or container for storage.

How do container prices work?

Container prices track global steel costs, exchange-rates and freight demand. You can use this 2025 guide for realistic budgeting, then speak with our friendly team at Gatehouse Containers for a fixed, landed quote tailored to your site, timeline and compliance needs.
