

Single phase breaker factory in Pretoria

Overview

Who is Africa switchgear & transformers?

Apply Today to get started. Welcome to Africa Switchgear & Transformers
Africa Switchgear PTY Ltd is a leading proudly South African manufacturer and exporter of Miniature Substations, Oil & Sf6 type Switchgear, Power & Distribution Transformers, BMK metering units, On-Load tap changers and Low Voltage Panels .

Does megaphase sell electrical products?

Megaphase not only sells electrical products, but is backed by years of electrical and engineering experience to ensure that your relationship with us is mutually beneficial. Simply put, we pride ourselves on our ability to meet all your needs, and always strive to achieve maximum customer satisfaction.

Who buys Transformers in South Africa?

From Pretoria, the local market is targeted with Eskom as a key client. Botswana Power Company, and NamPower are important utilities, and South Africa's metros are also buyers of larger transformers as southern African communities battle against an ongoing energy crisis.

What kind of transformers are made in Cape Town?

In Cape Town, smaller distribution transformers – pole mounted transformers, mini subs and very small transformers which have a voltage level of up to 33 kV – are manufactured for local and export markets including the US and UK. “It is very exciting that this year, we have broken through to international markets.
