

Sofia Solar Container 50kW Customer Support

Overview

What is a Sofar solar PV system?

Designed for rooftop and backyard PV power stations, the system supports modes including full grid connection, excess power grid connection, and self-consumption. SOFAR is a provider of all-scenario solar PV and energy storage solutions and is committed to being the leader of digital energy solutions.

Who is Sofar solar?

Our experienced team is here to help. From technical issues to general inquiries - we provide tailored solutions for your needs. @2025 SOFARSOLAR Co.,Ltd. All Rights Reserved. Privacy Policy SOFAR is a provider of all-scenario solar PV and energy storage solutions and is committed to being the leader of digital energy solutions.

What support does Sofar offer?

To ensure the best support for our customers, SOFAR has set up local teams which stand ready to provide expert assistance with your PV system installation – from planning support with professional tools, such as PVsyst and PVsol, to giving advice on component selection for specific project requirements, SOFAR has got you covered.

How do I contact Sofar Australia?

SOFAR Australia ul. Szkotnik 2b, 33-100 Tarnów ul. Szkotnik 2b, 33-100 Tarnów Please fill in the form below and we will contact you shortly.
