

Solar panel waterproof parts manufacturer

Overview

Who is solarparts?

Specialized in designing, manufacturing and selling all kinds of solar products, such as photovoltaic solar modules, portable solar panel charging kits, DIY solar systems and accessories, etc, our company with our own brand Solarparts, has had more than ten years of experience in the solar energy industry.

Are the solar panels waterproof?

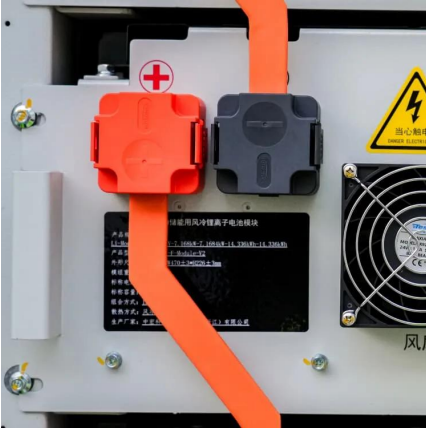

All kits come standard with the upgraded 20w solar panel for extra power! The whole system has an IP66 weather proof rating, which means that not only are the units dustproof, but highly water resistant making them perfect for outdoor rural or domestic use! Very high quality.

Who is Shenzhen solarparts Inc?

Established in 2011, Shenzhen Solarparts Inc is one of the professional solar module manufacturers in shenzhen, China.
