South Africa, Nigeria, Malawi, Zimbabwe, Angola, Ethiopia, Mozambique, Democratic Republic of Congo, Botswana, Namibia, Rwanda, Madagascar, Sierra Leone, Somali, Kenya, Chad, Tanzania & Chad. We produce the Medical Clinic converted from a Shipping Container.

What is a medical supplies container?

Rebuilt from modular shipping containers, these medical supplies containers can act as portable clinics that are repurposed to house medical equipment and supplies. They are outfitted to suit a wide variety of locations, and can be configured to deliver on any medical requirement.

What is a container clinic?

Container clinics have emerged as an innovative solution to bridge this gap, offering mobile, cost-effective, and fully equipped healthcare spaces. These clinics provide medical services in remote and underserved regions, disaster relief zones, and urban areas requiring additional healthcare facilities. What Are Container Clinics?
