

Sri Lanka home inverter manufacturer

Overview

Who is complete solar systems E Green Lanka?

Complete Solar Systems E Green Lanka (Pvt) Ltd is one of the largest solar companies in Sri Lanka, providing zero electricity bills for homes, shopping malls, factories, and offices. Our solar systems support cost-efficient, green living and allow you to earn from surplus electricity.

What is a solar inverter?

Inverters are a key component of most solar system projects; they convert the direct current (DC) generated by the solar panels to alternating current (AC) which is what is used by the national electrical grid.

Who is E Green Lanka?

E Green Lanka (Pvt) Ltd is one of the largest solar companies in Sri Lanka, providing zero electricity bills for homes, shopping malls, factories, and offices. Our solar systems support cost-efficient, green living and allow you to earn from surplus electricity. With government support, we ensure power even without the national grid.

What can a solar inverter do for You?

Our inverters are also able to monitor the solar system and act as communication portals for the performance of the entire system to be monitored remotely.
