

# Supplier of 40-foot folding containers for farm use

## Overview

---

What is a 40 footer container?

There is also another type of 40 footer container called the 40 Footer High Cube Container where the dimensions are around the same as the 40 footer container except for its height. It's length is around 40 feet or around 12.192m, width around 2.438m and height around 2.896m (which is taller than the 40 footer container, hence its name high cube).

What sizes are available for agricultural storage?

Our most popular solutions for agricultural storage are the 20- and 40- foot containers. We also have a range of products in other dimensions that can be customized to fulfill your specific needs. Other options include double-door and high-security storage, which are ideal for storing high-value equipment.

What storage options are available for farm equipment?

Other options include double-door and high-security storage, which are ideal for storing high-value equipment. Our all-purpose farm containers can be used as secure storage spaces for farm equipment, tools, and expensive machinery.
